Sri.K.N.Putte Gowda, learned counsel is directed to take notice for the respondents in all these petitions.

2. The petitioners in all these petitions appear to have filed applications before the respondents for transfer of katha in their name on the death of one M.Ellappan. The grievance of the petitioners is that they have given representation in the year 1995, but the Corporation has not considered and disposed of the same till now. If that is so, it is just and necessary to issue necessary directions to the Corporation.

3. Accordingly, writ petitions are disposed of with a direction to the Corporation to consider the applications of the petitioners in all these cases for transfer of katha within <sup>three months</sup> ~~15 days~~ from today, if the said applications are available in the office of the Corporation. If no applications are available, the petitioners are directed to file applications seeking for transfer of katha in respect of properties bearing old Nos:
